

COLOR PRESS PAKISTAN PRIVATE LIMITED
QHSE POLICY

Effective Date: 01-07-2022

Rev No: 00

Rev Date: N/A

Doc No: IMS-POL-01

Color Press Pakistan Private Limited undertakes to give priority to quality, health, safety, security and protection of the environment while carrying out its activities and would expect the same from its stakeholders.

Color Press Pakistan Private Limited undertakes to:

- Promote its conviction that all accidents can be avoided.
- Achieve continual improvement in our working process through effectively implementation of Integrated Management System (QMS-ISO 9001:2015, EMS-ISO 14001:2015 & OH&S 45001:2018) requirements and the use of Latest Technology along with proper training of all employees.
- The QHSE policy is communicated to all persons working directly or indirectly for the organization and is available to interested parties.
- Establish procedures to educate and motivate employees in order to build a culture for awareness which will improve quality, health, safety, security and protection of the environment.
- Place the highest priority on the prevention of injury, ill health and environmental pollution.
- Develop in association with the proper authorities, emergency or evacuation procedures to minimize the consequences of accident.
- Insist on personnel protective equipment (PPE) being worn systematically.
- We continually improve our performance and reduce adverse environmental impact, through objectives set by management that satisfy our client.
- By applying these principles, we aim to improve our working conditions and to ensure better services for our clients and to contribute profitability.
- Ensure our product and operational activities are complying with all applicable international, national, local environmental, health & safety laws and regulations.
- Ensure on time delivery of quality, safe and legal product to our customers that fulfill their needs and requirements.

Director
